

Sponsored by Samaritan Health Services and The Arts Center

“Through a Veteran’s Lens” Photo Exhibit

Are you a military veteran living in Benton, Linn or Lincoln County? We invite you to submit up to four photos for display in the “Through a Veteran’s Lens” photo exhibit. This exhibit will feature photos taken by those in our region who have served in the U.S. Armed Forces.

We are soliciting photos that reflect the personal experiences and perspectives of veterans. Photos may have been taken before, during or after the time of active service.

Submit photos that you believe best represent your personal experience of patriotism. We expect that the images in the photos will be as unique as the veterans themselves and may range from beloved landscapes in our communities to combat scenes, and from family members to flowers.

DEADLINE: April 30, 2022. Submit up to four high-quality digital files of photos (jpeg, 300 dpi resolution) to ArtsCare@samhealth.org. Complete a submission form for each photo you are submitting.

SELECTION PROCESS: One to four of your photos will be selected for display at The Arts Center’s “Through a Veteran’s Lens” photo exhibit. Your photos will be professionally mounted for the exhibit and include a placard with your name, rank, and photo title. When the show is over, your mounted photos will be given to you.

DATE OF SHOW: September 30 - November 13, 2022 at The Art Center (700 SW Madison Ave, Corvallis).
